Dear Mr. and Ms. Brown:

The Division of Oil, Gas and Mining received the 2016 permit fee for the Flossie mine on February 10, 2016. Before you may begin mining, you must submit the reclamation surety. The Division has received a W9 form. With the W9 form, the Division can accept a cash reclamation surety. The required reclamation surety is \$30,800.00 for a three-year escalation or \$31,400.00 for a five-year escalation.

Please call Wayne Western at 801-538-5263 or me at 801-538-5261 if you have questions concerning this letter. In reply, please refer to file number S/055/0028.

Sincerely,

Paul B. Baker
